Sutton Veny FOS AGM 2024-25

Treasurer Reports – 11th June 2025

As a committee we feel we have had another strong year. We are proud of our achievements, especially the money that we have been able to put back into school and the resources needed. We have been able to buy most of the Wishlist, contribute to school trips whilst keeping a healthy sum in the account.

Highlights

The quiz – this was a great earner for the school and was well received by families and teachers. Hopefully word of mouth will make this an even bigger success next year.

Santa's Grotto always helps to increase the money raised from the Christmas Fayre and is a fun event to arrange.

Still to come

We are bringing back the food / drink at Sports Day. This was happily received by parents watching the races last year.

School Disco – always a popular event and a lovely way to close the year.

Sutton Veny Flower Show – this year we have a pre loved books stall. It is always nice to be a part of the Flower Show and again all funds raised will help the school.

Looking to next year

Calendar sales – always popular as they include key dates, a good source of income to begin the year.

Cake sales / film nights and the disco are always events that excite the children.

As a Friends of School Committee we will be getting together next week to go through dates for next year and confirm any new events we will be holding. We may look at the return of the Auction of Promises and the quiz night.

We are always open to new idea / suggestions so please do shout it there is anything you think would be a good idea.
